Shipping Information

All orders are processed within 24 hours of receipt. Please allow sufficient delivery time with the Postal Service or United Parcel to receive your order. We assure all customers that our first priority is that all purchases are sent out immediately upon receiving order confirmations. We strive to have our orders arrive faster than other companies online who try and save money by sending orders out via a slow delivery system.

Orders are discreetly shipped with United Parcel Service or the Postal Service in plain packages. There is nothing written on the package as to its contents.
